Harmon C. McAllister, Ph.D.
Research Director
The Council for Tobacco Research - U.S.A., Inc.
900 Third Avenue
New York, NY 10022

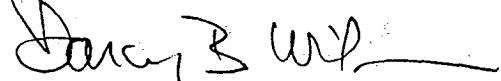

Dear Dr. McAllister:

On behalf of the Symposium Committee of the International Union of Immunological Societies, let me express to you how grateful we are for The Council for Tobacco Research-U.S.A., Inc.'s contribution of \$500 towards expenses for the meeting in Ireland. The time was short, and as you can appreciate funding for meetings in foreign countries are difficult to raise. The monies you allocated to us will be used to defray some of the travel expenses of visiting faculty and Irish students for this course.

We will be sure to mention your generosity at the symposium, and I will send you the final program.

Again, thank you, and

Sincerely yours,

Darcy B. Wilson, Ph.D.
Chairman, IUIS Symposia Committee
Scientific Director, Medical Biology Institute
